For Immediate Release

July 29, 2021

Municipal Court Warrant Service

Wichita Falls, Texas – As of Sunday, August 15, 2021, the Wichita Falls Municipal Court Marshals will resume actively serving arrest warrants for unpaid fines. In 2020, due to the pandemic, the Municipal Court restrained from actively serving arrest warrants. At that time, the Wichita County Jail had several individuals who tested positive and were quarantined due to COVID-19. In response to that situation, County officials asked that only violent crime offenses be addressed at that time. However, the City Marshal has been informed by the Wichita County Sheriff that the jail can once again accept individuals arrested for outstanding city warrants.

The court will take into consideration the circumstance that 2020 brought with it and therefore allow an amnesty period. The amnesty period begins Sunday, August 1, 2021 and lasts until Sunday, August 15. This will allow individuals extra time to pay their fines or contact the Wichita Falls Municipal Court to make other arrangements to avoid arrest. Notices have been mailed or texted to individuals within Wichita Falls who currently have active warrants.

To clear an outstanding warrant:

- Pay in person or by mail at Wichita Falls Municipal Court, 611 Bluff Street, Wichita Falls, Texas 76301.
- Pay online at <https://www.municipalonlinepayments.com/wichitafallstx/court/search>
