**For Immediate Release**  
**August 24, 2023**

## **Portion of Hike and Bike Trail Reopens**

Wichita Falls, Texas – A small portion of the Hike and Bike Trail in Wichita Falls that was closed for a drainage maintenance repair project is now back open.

The area between Humphreys Street and Martin Luther King Jr. Blvd. Has received a new concrete drainage flume and the part of the trail that had to be replaced is now complete.

Thank you for your patience.
