Wichita Falls Animal Services to Host Clear the Shelter Event

Wichita Falls, Texas – This year, our community's support is more crucial than ever for the Animal Services Center as we face unprecedented intake numbers. In July alone, we welcomed 121 cats, 194 dogs, and even a chicken into our care. With our doors open six days a week, this equates to an average intake of 10 animals per day.

To address this urgent need and find loving homes for these animals, the Animal Services Center is proud to participate in the nationwide Clear the Shelters event. This initiative aims to raise awareness about the challenges faced by homeless animals in our community and encourages adoption to alleviate overcrowding in our shelter.
