Public Meeting for Mitigation Action Planning in Wichita Falls

The City of Wichita Falls has a FEMA approved Mitigation Action Plan and we are in the process of updating and revising the current plan.

All citizens of Wichita Falls are invited to participate in a Mitigation Action Planning meeting to be held on Monday, July 8th at 6:30 pm, at the Wichita Falls Public Safety Training Center, 710 Flood Street, Wichita Falls, Texas 76301.

Mitigation is the action of reducing the severity, seriousness or painfulness of something. The topic of this meeting will be to discuss current mitigation projects and possible future mitigation projects as they relate to Natural Disasters that can and will occur in the City of Wichita Falls. Citizen input is greatly appreciated. For more information, contact the City of Wichita Falls Emergency Preparedness Office at 940-761-6870.
