Wichita Falls Comic Expo is a family friendly celebration of pop-culture that has something for everyone to enjoy! Fans rejoice as they will have the opportunity to meet these incredible headliners in our autograph area: Zach Ward (A Christmas Story, Charmed, Titus, and Transformers), Eric Millegan (Zach Addy in Bones), and Ming Chen (AMC's Comic Book Men)! Anime and gaming fans will be able to meet voice actors: Cynthia Cranz (ongoing voice roll as ChiChi in the Dragon Ball series), Daman Mills (Dragon Ball Super and Dragon Ball Super: Broly movie), and Amber Lee Connors (Kaijō!!! & My Hero Academia). Featured comic creators include: Timothy Lim (Back to the Future, Street Fighter X, Transformers); Juan Carlos Ramos (cover artist for Transformers), and Jason Meents (DC Comics Action Bendables toy line based on his family-friendly "Tykes" character designs).

On our Exhibit floor you'll be able to see Optimus is Here, a towering fan-built replica of Optimus Prime from Transformers Age of Extinction. Sit in the cab of this amazing vehicle and have your picture taken, benefitting local charity!
