## **FallsRide Route 5 Southwest Changes**

Wichita Falls, Texas—Due to the Maplewood Avenue extension project construction, the Wichita Falls Transit System, FallsRide Route 5 Southwest, will not be able to utilize the bus stops located at Sam's and the Walmart on Lawrence Road. The two affected stops are only on Route 5 Southwest. This is due to the increased flow of traffic and to ensure the safety of our citizens and the passengers of FallsRide. The change will go into effect Monday, February 17th, 2020 and last until the Maplewood Avenue extension project has been completed. Please see the attached map that shows the location of the two stops: [Map](#)
