Circle Trail Section – Temporary Closure

Wichita Falls, Texas – A section of the Circle Trail from the Multi-Purpose Events Center (MPEC) at 2nd Street and Lamar, to O'Reilly Park at 100 Lee Street, will be closed to the public from Monday, June, 8 through Wednesday, June, 10. Work is expected to begin Monday at 6am and end Wednesday afternoon at approximately 3pm. BNSF Railroad will be performing heavy construction on the railroad above the trail near Front and Ohio Street. It is expected that there will be debris falling from the work zone onto portions of the Circle Trail. The Wichita Falls Parks and Recreation Department is working closely with BNSF to ensure the safety of the public. Please avoid the area during the time frame of the construction work. If delays occur, the City of Wichita Falls will update the public accordingly.
