CRIMINAL ACTIVITY ILLEGAL DRUG/SALES

The sale of illegal drugs is common in our society. For the purposes of employment The City of Wichita Falls treats the sale of each illegal drug differently. In all cases, the Department is concerned with the illegal sale of drugs to another person (with or without profit to you), delivery of illegal drugs to another person, transporting illegal drugs to be sold, trading illegal drugs for anything of value, manufacturing illegal drugs, and the cultivation of illegal drug plants or any other way being involved in a transaction involving illegal drugs.

CRIMINAL ACTIVITY ILLEGAL DRUG/POSSESSION

In recent years drug usage has become extremely common in our society. The City of Wichita Falls recognizes that it would be almost impossible to hire anyone who has not experimented with some drugs. However, it is important that the City be aware of all your past and current **ILLEGAL** drug usage.

Let's discuss what we mean by usage. With drugs such as amphetamines, we are interested in the number of times you have taken one of these pills. With drugs such as cocaine, we are interested in the number of times that you have snorted, smoked, or ingested the drug. With marijuana, we are interested in the number of times you have smoked marijuana. This includes a hit, puff, or toke from a joint of marijuana, or eating marijuana brownies. For example, each separate instance of usage, regardless of quantity used or consumed, constitutes "**ONE TIME USED**".

We are also interested in identifying exactly when you used a drug. You will be given an opportunity to explain the first date that you used each drug and the last time you used each drug.

You also must explain how you used the drug. If the drug was smoked, snorted, injected, eaten or used in any manner, you must explain how it was used.

When asked to give the maximum number of times that you used the drug, you must give the **ABSOLUTE MAXIMUM NUMBER OF TIMES YOU USED THE DRUG**. For instance, if you have snorted cocaine six times and you state that you used cocaine five times, you will appear to be deceptive when questioned on the polygraph. If you are not sure how many times you used a drug, such as marijuana, then state the absolute maximum number of times that you could have used the drug.

Complete the following chart, explaining if you have used each of the drugs mentioned. The first time (month/year) you used the drug. The last time (month/year) you used the drug. The maximum number of times you used the drug, and how you used the drug. If you have never used the particular drug, then check the appropriate **NEVER** area. Please list only drugs not prescribed to you that you have used. Prescription drugs of another person's, even though legally prescribed, that you used should be listed.
