Wichita Falls Wichita County Public Health District – Online System Transition

Wichita Falls, Texas – The Health District is making significant progress on the transition to the new online system for vaccination appointments. The original waiting list is being transferred to the new system today. Individuals who were previously signed up on the original waiting list will receive a text message from an unknown, or out of area number. This text message is legitimate and will provide further instructions on how to register with the new system. Please follow the instructions accordingly. Further information will be provided regarding upcoming vaccinations.

Please continue to monitor our website and social media pages for further updates.
