2020 Sewer Budget Utility Improvement Project Phase 2 - Update

Wichita Falls, Texas – As a part of the 2020 Sewer Budget Utility Improvement Project Phase 2, construction is nearing completion at the corner of Hamilton Boulevard and Woodrow Avenue. The next phase of work is scheduled to begin on Brook Avenue, Thursday, February 25.

Detour signs will be posted to accommodate street closures and access will still be provided to businesses along Brook Avenue from adjacent cross streets. The repairs are expected to take approximately 3 months, weather permitting.

Please use caution and drive slowly when traveling in this area. We appreciate your continued understanding and patience as Public Works continues to rehabilitate and repair sewer lines during this project.

For more information or questions, please contact the City of Wichita Falls Engineering Division at (940) 761-7477.
