**May 20, 2021**

## **City of Wichita Falls Mask Requirement Changes**

Wichita Falls, Texas – In accordance with Governor Abbott’s latest Executive Order (GA-36) issued on May 18, 2021, facial coverings/masks are no longer required to be worn while inside the City of Wichita Falls facilities, with the exception of the Wichita Falls Regional Airport and on the Falls Ride Transportation system. The exceptions are due to a requirement of the Transportation Security Administration (TSA) and the Federal Transit Administration (FTA). Both agencies extended their mask orders, which includes public transportation, through September 13, 2021. These changes are effective immediately.

The wearing of face coverings/masks is optional and any employee or citizen who chooses to wear a face covering/mask is encouraged to do so. The Wichita Falls – Wichita County Public Health District also strongly recommends that anyone who is not vaccinated continue to wear a mask. Please be respectful to those who choose to continue wearing a mask.
