Small Portion of Hike & Bike Trail Temporarily Closed

Wichita Falls, Texas- A small portion of the Hike & Bike Trail in Wichita Falls will be closed for parts of the day from Monday, April 3, 2023, to Wednesday, April 5, 2023.

Track maintenance on the BNSF Railroad bridge across the Wichita River near Ohio Ave and Front Street will have the trail shut down at the bridge from 9 am to 3 pm each day. The concern is that falling debris could injure anyone using the trail below the bridge.

Thank you for your patience.
