For Immediate Release

May 3, 2023

Portion of Airport Road to Close for Construction

Wichita Falls, Texas- A portion of Airport Drive, west of Loop 11, will be closed to thru traffic beginning 5/4/2023 until further notice.

Airport Drive in front of the new Warren CAT facility will be demolished and widened to create additional lanes.

The work also includes a culvert replacement and associated drainage improvements. This work is being performed as part of the private development process.

At a later date, the intersection of Airport Drive and Loop 11 will need to be partially closed to accommodate work within the intersection.

Another press release will be provided at that time with additional information regarding the rerouting of traffic.

For more information contact the City of Wichita Falls Engineering Division at (940) 761-7477.

A map of the area is on the second page of this release.
