## **Women, Infants, and Children to Host Summer Kickoff**

Wichita Falls, Texas- Please join the Wichita Falls Public Health District's Women, Infants, and Children (WIC) program in its first-time-ever event "Summer Kickoff" to promote nutrition and wellness in our community on June 2, 2023, from 9:30 am to 12:00 pm at the Lucy Park Log Cabin, 100 Sunset Dr, Wichita Falls, TX 76301. This free event is for the entire family.

This kickoff will feature several community partners, such as the Food Bank, Fire Truck, Police Patrol Car, Animal Services, McGruff the Crime Dog, River Bend, and many more.

We will have games such as Tug-O-War, Obstacle Course, Parachute, and much more with amazing prizes at each game.

Every family that visits 12 or more tables gets a one-time day pass to the city pool this summer.

We will have plenty of door prizes available to win throughout the event and lots of water to stay cool.

For more information on this event, visit our Facebook page.
