City Utility Collections Drive-Thru Reopens

Wichita Falls, Texas- The Utility Collections drive-thru at Memorial Auditorium is again open.

The drive-thru has been closed since March 20, 2023, when construction work on the west side of Memorial Auditorium forced crews to shut down the driveway for safety reasons.

Water customers may now pay their bills conveniently and from the comfort of their own vehicle.

Thank you so much for your patience in this matter.

If you have any questions please call 940-761-7414.
